What if your child's vision could inspire the world from a **TED-style stage**?

FREE Masterclass with a fun Kahoot-style quiz to boost public speaking skills

SpeakUp!

A Global Stage for Young Voices

*This is an independently organized event inspired by TED-Ed. It is not affiliated with or endorsed by TED, TEDx, or TED-Ed."

June 14th,
2025 CST

10:30 AM – 12:00 PM CST
For Grades 1-8

Live on **Kahoot!**
(Online Event)

An interactive Masterclass where students learn to craft and deliver powerful talks using the TED-Ed inspired public speaking framework, followed by an interactive Kahoot quiz to reinforce key concepts.

WHY IT MATTERS:

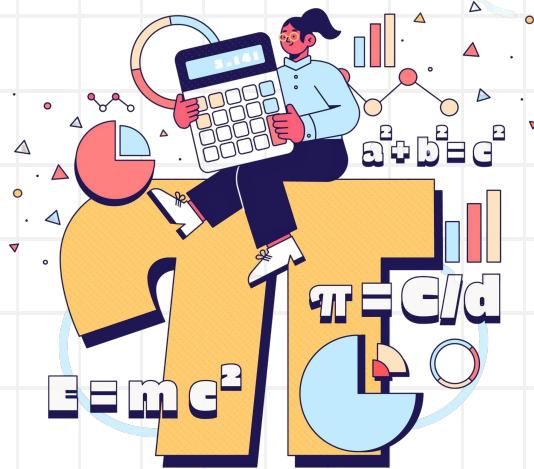

Helps children build stage confidence, structure their thoughts, and express ideas clearly—vital skills for school and beyond.

LEARNING OUTCOMES:

- ✓ Learn to organize and present ideas effectively
- ✓ Strengthen public speaking and communication skills
- ✓ Gain confidence through interactive and gamified learning

Math π rate

June 21st,
2025 CST

10:00 AM – 11:30 AM CST For Grades 1-4
12:00 PM – 01:30 PM CST For Grades 5-8

Live on **Kahoot!**
(Online Event)

An exciting **live online Kahoot Math Quiz** where young mathletes solve puzzles and math challenges to test speed, accuracy, and problem-solving skills in a fun, competitive setting.

WHY IT MATTERS:

Encourages students to apply math concepts in an engaging format that builds confidence, sharpens logic, and prepares them for academic success.

LEARNING OUTCOMES:

- ✓ Develop critical thinking and problem-solving skills
- ✓ Improve accuracy and speed in calculations
- ✓ Gain confidence through friendly competition and teamwork

STAR WARS

LEGENDS & LORE QUIZ

June 28th,
2025 CST

10:30 AM – 12:00 PM CST
For Grades 1-8

Live on **Kahoot!**
(Online Event)

A THRILLING LIVE KAHOOT QUIZ where young padawans and Sith apprentices dive into the epic Star Wars universe! This online event combines fun, learning, and a touch of the Force as participants test their knowledge of heroes, villains, planets, battles, and legendary lore.

WHY IT MATTERS:

Themed trivia events like this spark curiosity and encourage students to think fast, recall details, and connect ideas—all while having fun in a friendly, competitive environment.

LEARNING OUTCOMES:

- ✓ Improve quick thinking and memory recall
- ✓ Encourage teamwork and friendly competition
- ✓ Develop interest in space, storytelling, and sci-fi technology

PLANET MINECRAFT

July 12th,
2025 CST

10:30 AM – 12:00 PM CST
For Grades 1–8

Live on **Kahoot!**
(Online Event)

A creative and interactive online masterclass where students explore the world of Minecraft design and development. They'll build their own virtual amusement parks, solve puzzles, and participate in a thrilling Kahoot quiz session—all while sharpening critical thinking and digital skills.

WHY IT MATTERS:

Minecraft isn't just a game—it's a tool for learning. This masterclass helps kids think critically, design creatively, and develop real-world skills like problem-solving, teamwork, and early coding concepts in a fun, gamified environment.

LEARNING OUTCOMES:

- ✓ Learn the basics of Minecraft design and development
- ✓ Turn playful imagination into practical skills like coding
- ✓ Participate in a live Kahoot quiz to reinforce key concepts

BATTLE OF THE BRAINS

July 19th,
2025 CST

10:30 AM – 12:00 PM CST
For Grades 1-8

Live on **Kahoot!**
(Online Event)

An action-packed LIVE Kahoot quiz where kids team up with their parents for a thrilling brain showdown! A perfect mix of family bonding and mental stimulation, this event is designed to spark laughter, learning, and teamwork.

WHY IT MATTERS:

Encourages parent-child collaboration, builds critical thinking skills, and promotes fun learning through gamification.

LEARNING OUTCOMES:

- ✓ Strengthen teamwork and communication
- ✓ Boost general knowledge and logical thinking
- ✓ Create memorable family learning moments

"MASTER THE ART of CREATIVE WRITING"

July 26th,
2025 CST

10:30 AM – 12:00 PM CST
For Grades 1-8

Live on **Kahoot!**
(Online Event)

A fun, expert-led masterclass where children explore the art of storytelling through engaging prompts and imagination-boosting exercises—followed by an exciting Kahoot quiz to reinforce their learning.

WHY IT MATTERS:

This session helps young writers develop critical skills in sentence-building, creative thinking, and plot development—all essential for academic success and self-expression.

LEARNING OUTCOMES:

- ✓ Learn to build characters, set scenes, and write compelling plots
- ✓ Strengthen sentence structure and storytelling techniques
- ✓ Boost creativity and idea-sharing through real-time feedback and collaboration
